SUMMARY

Software Developer with a solid background in Computer Engineering and hands-on experience designing cross-platform applications with Flutter and highly usable responsive web interfaces, with a rigorous focus on user experience (UI/UX).
I bridge front-end development with the integration of backend architectures, REST APIs, and relational databases, driven by a strong interest in data engineering.

TECHNICAL SKILLS

Languages
Dart, Python, Java, JavaScript, C/C++

Mobile & Front-End
Flutter, HTML, CSS

Backend & Database
Node.js, Express, API REST, SQL (MySQL, MariaDB, Microsoft SQL Server)

Tools
Git, GitHub, Docker

EXPERIENCE

STUDIO ECLETTICA
Software Developer | 01/2023 - Present

• **Cross-platform enterprise application development:** designed and implemented a desktop/mobile application with Flutter for centralized digital archiving and management of company assets with AI integration, incorporating operational modules for standardized technical specification sheets.

• **Process automation via pipelines:** architected and deployed an automated pipeline for generating realistic renders from technical drawings, drastically reducing turnaround times for repetitive internal workflows.

• **Web development & optimization:** designed and developed two corporate websites (main brand portal and platform for a new business division), ensuring responsive interfaces, performance optimization and SEO best practices.

• **System integration & operational support :** managed internal application deployments, workstation environment configurations, and staff training to drive seamless adoption of new digital processes.

THE EUROPEAN HOUSE - AMBROSETTI | Milan, Italy
IT & Service Desk Intern (PCTO) | 06/2018 - 09/2018

• **System support & troubleshooting:** provided Tier 1 and Tier 2 technical assistance for hardware workstations, corporate device provisioning, and timely resolution of internal systems and network disruptions.

• **Web & database maintenance:** assisted in updates and maintenance of the corporate website (HTML/CSS) and managed operational queries on relational databases (MySQL).

IIS LUIGI GALVANI | Milan, Italy
Mathematics Teacher (Temporary Appointment) | 2022-2024

• **Appointed instructor for high school mathematics curricula:** managed classroom instruction, course curriculum and lesson planning.

EDUCATION

POLITECNICO DI MILANO | Milan, Italy
Bachelor's Degree in Computer Science Engineering | 2022 - Expected 2027

IIS LUIGI GALVANI | Milan, Italy
High School Diploma in Computer Science & IT (100/100) | 2016-2021

LANGUAGES & CERTIFICATIONS

LANGUAGES: Italian (Native) - English (C1)

Cisco Networking Academy: CCNA R&S: Networks (2019)

Start2Impact: Web Programming training course (2018)

I hereby authorize the processing of my personal data pursuant to Legislative Decree 196/2003 and EU GDPR 2016/679.
